

# Sound physical, spiritual knowledge

**K**OLEJ Universiti Islam Malaysia provides holistic education to its students. It offers modern and innovative programmes via its four faculties, all of which are laced with Islamic values. Thus, KUIM graduates are equipped with sound physical and spiritual knowledge.

which enables co-operation between two entities.

The co-operation also includes student practical/industrial training, joint research, joint seminars and fatwa references and management.

The university has promoted external ties and develop co-operation in academic and international affairs.

As part of its plan to further strengthen its profile, it has organised activities such as signing an MoU with Universitas Islam Negeri Syarif Hidayatullah, Jakarta (UIN).

KUIM and UIN agreed to encourage and promote co-operation in scientific and cultural knowledge; promote exchange of information and materials that are of mutual interest; promote and facili-

tate the exchange of research and teaching staff as well as students; and collaborate on the joint edition of monographs either historical or linguistic or any other subject of common interest to both parties.

They will also promote

and collaborate on the execution of joint research projects wherever possible, in any area of interest common to both parties.

Aside from that, KUIM has close ties with KFC Holdings, which is involved in research, placements of students for

industrial training and helps develop subject related to entrepreneurship. Bank Islam Malaysia Bhd (BIMB) also works with KUIM. Together, they organise seminars and conduct research. KUIM students can also gain placements in BIMB

for industrial training.
